

Would you like to contribute to dancing beyond your club?

Like to help with planning and decision-making for region activities?

Or maybe you would like to get to know more about the wider world of SCD?

Perhaps you would like to give something to an activity that you enjoy?

Do you have some skills that could help dancing in the Auckland Region?

Please think about standing or nominating someone for the Auckland Region Committee

What is the Auckland Region Committee?

The Auckland Region is managed by the Auckland Region Committee who are elected at the AGM – this year on Saturday October 28 at St Aidan's Social Lounge in Ascot Avenue, Remuera.

How can you help?

Nominations are called for all positions, in particular the positions below. Brief descriptions are given – with considerable flexibility in how you would like to undertake or delegate the role - or maybe think about 'Job-sharing'. The roles are what the elected people make of them.

- Vice-President – a range of options
- Secretary – takes minutes of meetings, prepares agenda, manages region correspondence. Can manage other aspects of activity as well
- Treasurer – management of region's finances – income and expenditure and reports on the financial position to the Region Committee
- Branch Liaison – oversees communication with the New Zealand Branch. Keeps the Region Committee and members up to date with the New Zealand Branch and RSCDS and communicates with the Branch on our behalf
- Labour Weekend Organiser 2018 – plans and organises the Labour Weekend School – in conjunction with a Labour Weekend support team
- Committee members – plenty of room for people with all interests and skills – such as communication, social events, classes, promotion, governance – or anything that you believe you can do to support dancing in the wider Auckland Region

Please do talk to the current Region President, Duncan Laidlaw. Duncan is available for nomination for next year (This does not preclude other nominations).
